REMA'S CURIOUS KIDS

WELCOME TO APRIL!

SPRING is in the air, and our classroom is blooming with exciting new discoveries and activities! This month, we'll be exploring the wonders of nature, learning about springtime changes, and engaging in fun, hands-on experiences. Get ready for a month filled with sunshine, growth, and lots of laughter!

We hope you all had a wonderful March! We're so excited to welcome the warmer weather and the opportunities it brings for outdoor exploration and learning. We've been busy planning engaging activities that will encourage your little ones to observe, question, and discover the world around them. As always, thank you for your continued support and partnership in your child's learning journey.

THIS MONTH'S THEME: SPRINGTIME WONDERS!

Our learning will be centred around the beauty and changes of spring. We'll be exploring:

- Growing Things: Seeds, flowers, gardens, and how plants grow.
- Spring Animals: Baby animals, birds, insects, and their habitats.
- Weather in Spring: Rain, sunshine, wind, and rainbows.
- Colors of Spring: Exploring the vibrant hues of flowers and new growth.

LEARNING FOCUS THIS MONTH

Throughout April, our activities will be designed to introduce and reinforce the letter 'S', explore the oval shape (especially in relation to Easter eggs), and incorporate early math concepts like counting and sorting, along with literacy skills related to spring vocabulary.
